

## P/N 0E44084

Gravity and suction drainer, 80 litres with suction probe kit

### SECTORS OF USE

Agriculture, Automotive, Building and road construction, Lube trucks and transports

### FEATURES

|                                   |                              |
|-----------------------------------|------------------------------|
| Tank capacity                     | 80 l                         |
| Max draining capacity             | 62 l                         |
| Prechamber capacity               | -                            |
| Bowl capacity                     | -                            |
| Air pressure for depressurisation | 6,5÷7 bar                    |
| Depressurisation time             | 2,5÷3 min                    |
| Noise level                       | 75 dB                        |
| Suction speed                     | 1,5÷2 l/min                  |
| Total suction capacity            | 60÷65 l                      |
| Discharging/Suction hose          | 2/2 m                        |
| Max pressure for discharging      | 0,5 bar                      |
| Set of probes                     | p/n 0E45560                  |
| Packing                           | No. 2 - 0,189 m <sup>3</sup> |
| Weight                            | 34 kg                        |
